

# Advanta IO Gene Expression Assay Plate—Panel A

Kit Part Number: 101-7674

## Purpose

This kit provides necessary assays for immuno-oncology gene expression with 24.192 Dynamic Array™ IFCs (integrated fluidic circuits) for Gene Expression. The kit contains 96 dried-down assays in one 96-well plate.

## Contents

Part Number	Component	Storage
101-7405	Advanta™ IO Gene Expression Assay Plate—Panel A	Ambient

## Handling

Before using the assays, refer to the Advanta IO Gene Expression Assay Using the GE 24.192 IFC Protocol (PN 101-7087). The Advanta IO Gene Expression Assays are supplied in a dried-down format. Before you can use the assays, you must rehydrate them according to the instructions in the protocol. The rehydrated assays are at a 10X concentration with a final concentration of 9  $\mu$ M primer and 2.5  $\mu$ M probe.

## Safety

Use standard laboratory safety protocols. Read and understand the safety data sheets (SDSs) before handling chemicals. To obtain SDSs, go to [fluidigm.com/sds](http://fluidigm.com/sds) and search for the SDS using either the product name or the part number.

### For Research Use Only. Not for use in diagnostic procedures.

**NOTICE TO PURCHASER:** Limited Use License to Perform Pre-amplification with Fluidigm IFCs

The purchase of this product from Fluidigm Corporation conveys to the purchaser the limited, non-transferable right to the purchaser to use the purchased amount of this product to perform pre-amplification methods using Fluidigm instruments under license from Thermo Fisher Scientific. No right to resell this product and no other rights (such as real-time PCR methods, apparatus, reagents, or software to perform digital PCR methods) are conveyed by Thermo Fisher Scientific expressly, by implication, or by estoppel. For information on obtaining additional rights, contact [outlicensing@lifetech.com](mailto:outlicensing@lifetech.com) or Out Licensing, Thermo Fisher Scientific, 5791 Van Allen Way, Carlsbad, California 92008.

**NOTICE TO PURCHASER: LIMITED LICENSE:** Use of this product is covered by one or more US patents. The purchase of this product includes a limited, non-transferable immunity from suit under the foregoing patent claims for using only this amount of product for the purchaser's own internal research. No right under any other patent claim, no right to perform any patented method, and no right to perform commercial services of any kind, including without limitation reporting the results of purchaser's activities for a fee or other commercial consideration, is conveyed expressly, by implication, or by estoppel. This product is for research use only. Diagnostic uses under Roche patents require a separate license from Roche. Further information on purchasing licenses may be obtained by contacting [outlicensing@lifetech.com](mailto:outlicensing@lifetech.com) or Out Licensing, Thermo Fisher Scientific, 5781 Van Allen Way, Carlsbad, California 92008.
